Languages: Arabic (Native Speaker), English (Advanced)

## Mobile Apps Developer

Flutter Developer with solid skills in Dart, Firebase, and state management (BLoC, Riverpod). Skilled in building and deploying clean, scalable mobile apps with RESTful APIs. Transitioning from Pharmacy, bringing a detail-oriented and methodical mindset.

## EDUCATION

(2017-2021) AL-AZHAR UNIVERSITY : Bachelor of Pharmacy

(2023-Present) FLUTTER SELF-TAUGHT

## COURSES

- Flutter & Dart – Udemy (Taught by Tharwat Samy)
- Clean Architecture in Flutter – Udemy (Taught by Hadi kacshmar)
- State Management (Bloc , RiverPod & Provider) – Udemy (Taught by Hadi kacshmar)
- API in Flutter – Self-taught via YouTube & practice
- Responsive & Adaptive UI – Udemy (Taught by Tharwat Samy)
- Git & GitHub Basics – YouTube

## SKILLS

- Languages: Dart, C++ (basics)Public Relations
- Framework: Flutter
- State Management: BLoC, Provider& RiverPod
- Backend: Firebase (Firestore, Auth, Storage)
- Tools: Git, GitHub, Postman, Android Studio
- Other: Clean Architecture, REST APIs, Responsive Design

## TOP PROJECTS

### Food Delivery (Team Project) [GitHub Link](#)

- Built a comprehensive food delivery application with features including authentication, profile management, food browsing & search, cart, checkout, payment methods, and order tracking.
- Implemented Firebase services (Auth, Firestore, Cloud Storage) with BLoC state management for scalable and maintainable architecture.
- Delivered a modern, responsive UI with custom components, interactive map integration, and robust input validation.
- **Technologies:** Flutter, Dart, Firebase (Auth, Firestore), BLoC (State Management), Clean Architecture.

### Movies App [GitHub Link](#)

- Built a dynamic movie browsing application that fetches and displays data from a live REST API.
- Implemented core features including movie listings, detailed views, and search functionality, focusing on efficient data handling and state management.
- **Technologies:** Flutter, Dart, REST API, Dio, Provider (State Management).
